Cordish Properties Welcomed More Than 22 Million People in 2018

Hanover, MD (May 24, 2019) – The Cordish Companies' Live! Casino & Hotel, Power Plant and Power Plant Live! were recognized by the Baltimore Business Journal as three of the Top Five Most Popular Tourist Attractions in the Greater Baltimore region, welcoming more than 22 million visitors in 2018.

"We are honored to have Live! Casino & Hotel, Power Plant and Power Plant Live! recognized as the leading tourism destinations in the region," said David Cordish, Chairman of The Cordish Companies. "Our family-owned company is proud to call Baltimore home and we are thrilled to entertain both residents as well as visitors from around the world. It is our commitment to ensure that every guest is welcomed as a part of the Live! family at all of our properties."

"As we approach the seventh anniversary of Live! Casino and the first anniversary of Live! Hotel, we want to thank our loyal customer base who return again and again, making us the most popular tourist attraction in the Greater Baltimore area," said Anthony Faranca, General Manager of Live! Casino & Hotel, which ranked in the top spot on the list. "This recognition allows us to reflect on our commitment to providing an unforgettable gaming and entertainment experience to all our guests on every visit. We have the best Team Members in the business and I want to congratulate all of them for a job well done!"

Live! Casino & Hotel is one of the largest commercial casinos in the country, located in the Washington DC/Baltimore corridor and adjacent to Arundel Mills Mall. This unique destination provides the ideal setting for those seeking dynamic gaming entertainment with the convenience of world-class accommodations, retail and dining experiences, all at one location. Live! Casino features more than 200 live action table games, approximately 4,000 slot machines and Maryland's first outdoor gaming area, Orchid Gaming & Smoking Patio. Approaching its one-year anniversary this summer, the flagship Live! Hotel is the tallest building in Anne Arundel County with 310 guest rooms that include 52 suites and features a luxury day spa that offers guests an opportunity to book a Spa Villa or Spa Suite for a more private in-room treatment experience. Visitors have the option of staying at Live! Lofts, a boutique hotel and sister property, just minutes away from the casino. Also featured at the property is Live! Event Center, a 4,000-seat venue

with a regular lineup of headline entertainment that will be opening its phase two expansion this year and will encompass 40,000-square-foot of meeting and banquet space.

Pratt Street's **Power Plant**, the second most attended tourist destination in Baltimore, was developed in partnership with the City and is considered one of the leading entertainment projects in the United States. The Power Plant is a mixed-use project in the heart of Baltimore's World Famous Inner Harbor that features the Hard Rock Café, Barnes and Noble and Maryland's famed Phillips Seafood, along with spectacular loft offices and the headquarters of The Cordish Companies. The Power Plant continues to be one of the top family-friendly destinations in the country.

Power Plant Live! ranks fourth on the list. Power Plant Live! is the redevelopment of two vacated city square blocks into an exciting \$35 million, 550,000 square foot entertainment district, offering a range of restaurants, bars, comedy and a 1,600-occupancy state-of-the-art music venue.
